AN EXCITING SUBSCRIPTION OFFER

EXCLUSIVELY FOR READERS OF MAD MAGAZINE!

"An extraordinary opportunity to own the official MAD Pin Collection!"

MAD

A Brief History of the MAD Pin Collection

In late 1990, MAD publisher William Mildred Farnsworth Higgenbottom Pious Gaines IX decreed that there should be an official MAD Pin Collection and ordered that famous artisans from around the world be contacted to see who would work the cheapest to create these objects of art!

Unique in all of jewelry-making history, we broke the mold before we cast these pins!

Each official MAD Pin is precision crafted by machines that are turned On and Off by hand!

Each Pin is cast in Space-Age Alloys—the same Alloys used to make NASA space shuttle souvenir pins sold by guys hanging around Cape Canaveral!

The Official MAD Pin Collection smells like jewelry that costs thousands of dollars and can be mistaken for real gold at distances over 500 meters (though at shorter distances they may be mistaken for a lot of other things)!

These Pins will not be sold in any store—we know, we tried getting any store we could find to sell them and nobody would touch them!

Due to the special nature of this offer, the number of Official MAD Pins commissioned shall never exceed the demand! (In the event of a tie, all production will cease! That's our commitment to quality!)

These are the very same Pins that will be offered by us again and again and again in future issues of MAD Magazine!

An Important Reminder! Each Official MAD Pin is so valuable it will be personally delivered to your home by an official United States Government Employee, dressed like a mailman!

This offer is neither endorsed nor in any way connected to the Franklin Mint, Benjamin Franklin, Joe Franklin or Franklin Delano Roosevelt!

Your cover of MAD #312 was a wonderful interpretation of the "outcome" of George Bush's talks in Japan. Instead of calling him the President of the United States, we should retitle him the "Duke of Hurl"!

John Morales
Redwood City, CA

Hmmm. Let's see...checking our official Lineage of Royalty chart, if George Bush is the Duke of Hurl, that would make his son Neal Bush the Viscount of Vomit!—Ed.

BONEHEAD MAIL

Your page 48 memo "from the desk of William M. Gaines" in issue #312 says the MAD staff should never use the words idiots, morons, imbeciles, dolts and clods because they describe MAD readers and might alienate them. Well, we're MAD readers and we're none of those. We're boneheads! We would prefer this be put in "Bonehead Mail," nor "Moron Mail."

Your wish is our command, morons!—Ed.

MORON MAIL

I've been reading your trash for six years now. I can't stop! It's like you have some hypnotizing device in your magazines.

Jake Van Putten

Jake—You've found us out! Yes, it's true. There's something in each issue that makes our readers' eyelids heavy like sandbags—that makes them drowsy and eventually lose consciousness—it's called "The Lighter Side Of..."!—Ed.

MAIL FROM PEOPLE IN NEW JERSEY

I am writing this letter on April 27th at 9:36 and 36 seconds, which means there are 2,084 days until the year 2000 or 50,016 hours until 2000 or 3,000,960 minutes until 2000 or 19,806,336 seconds until 2000. Just thought you would like to know that.

A Partner's Story

There's a real political outsider stirring up the Presidential Race this year... Alfred E. Neuman! That's why *Esquire* magazine chose to combine Alfred with George Bush on its June cover, while *Texas Monthly*'s June issue cloned our grinning, gap-toothed boy with H. Ross Perot (the big ears, however, are Ross's!) This double-whammy received media coverage from coast to coast, including an appearance by MAD's Editors on *Entertainment Tonight*! Oddly, the current *Road and Track* cover features an illustration that's half Bill Clinton, half Chevy Caprice! Go figure!

"JOHNNY WARPER"

Regarding your "Johnny Warper" advertisement on the back page of issue #311, we commend you for bringing to your readers' attention the significant negative consequences associated with alcohol use during pregnancy. Your contribution is appreciated, as is the message you present regarding the role advertisers have on women's drinking behaviors. Many women who abuse alcohol during pregnancy would cease such practice with education, treatment and support from our society.

A MAD LOVE STORY

My husband, Scot Burnell, has been reading MAD ever since he was hospitalized as a little boy. He says it was the only thing that put a smile on his face and ever since then he has been an avid fan and collector of MAD. I love him so much and would be so thankful if you could print this and allow me the pleasure of seeing his eyes light up when he reads it!

Lara Burnell
Costa Mesa, CA

Okay, we'll print your letter, but we have one question for you: What the hell are you doing married to a little boy? Seriously, if you REALLY want to see your husband's eyes light up, we suggest the next time he comes home from the hospital, you greet him at the door wearing this issue of MAD and nothing else!—Dr. Ed.

BRUCE WAYNE'S WORLD DEPT.

1992 is shaping up to be a really miserable year! Our beloved President embarrasses every U.S. citizen by hurling all over the Japanese Prime Minister, Raul Julia is back on Broadway and Country Music continues to gain in popularity! And if all that weren't bad enough, now...

I'm **Danny DeVito**—also known as **The Penicillin!** In this film I play a **half man/half bird!** The role was a **snap** for me since I had a **big advantage**—I was already **half man!!!**

I'm **Michael Keaton**—also known as **Buttman!** In my last film I was **romantically linked** with **Vicky Vale!** Unfortunately, I could not **give her** what she **wanted** and now she is **no longer with me!**

Tell me, sir, **what** was it that Miss Vale **wanted** from you? **A commitment?**

No, Neuman, I'm afraid she wanted a piece of the **gross profits** to **appear** in this **sequel!**

I'm **Michelle Pfeiffer**—also known as **Scatwoman!** In this film I whip Buttman's **cute little buns** all over **Gotham City!** Well, okay, in **truth my** stunt double whips **his** stunt double's **cute little buns** all over **Gotham City!**

STUNT DOUBLE

That **Scatwoman disguise** is the most **transparent** one I've **ever seen!** Do they expect us to **believe** that **people** in **Gotham City** can't tell who she **really** is?

It's a **disorder** that **afflicts** people who live in **comic books!** It's the same **stigmatism** they have in **Metropolis** where they **can't tell Cluck Kent** is really **Stuporman** wearing **glasses!**

If all this **merchandise** was **left over** from the **first Buttman movie,** just think how much **crap** will be **remaindered** after **this bomb!**

It would have been a **better movie** if ***Warner Brothers*** had spent **half** as much **time** on **improving** the **script** as they did on **pushing** the **merchandise!**

Wasn't **Rappin'**, the **Boy Blunder,** supposed to **be** in this **one?**

Well, he might be in a **Buttman** film **soon!**

How **soon?**

As **soon** as **Macauly Culkin** puts on enough **muscle** not to look **idiotic** in **Rappin's outfit!**

BUTTMAN RETURNS

He was born **three months ago** and we **still** haven't found a **suitable name** for him!

A **suitable name?** We haven't found a **suitable biological classification** for him!

THIRTY YEARS AGO

When you said it was **time** for the **baby** to be **baptized** I didn't know **this** was what you had **in mind!**

Water is **water!**

I've heard of parents flushing **soiled diapers** down the **toilet** and into the **sewers,** but they usually **take the baby out of them first!**

ARTIST: MORT DRUCKER WRITER: STAN HART

Saltina, you understand as **my secretary,** you'll have to **work late some nights!**

You mean when you get **really busy?**

No, I mean when I get **really horny!**

Didn't you **male chauvinists** learn **anything** from the **Anita Hill Senate Hearings?**

Sure did! When **Clarence Thomas** was **approved** as a **Supreme Court Justice** it taught us that **we** could **get away** with things **like this!**

NOW

If you **don't** support me on **my plan** to build a **super power plant,** I'll **see** that **you're replaced!**

You **can't do that!** You **don't even** have a **candidate** that **anyone** gives a **damn** about!

That didn't stop the **Democrats** in the **Presidential primaries** this year! **Or,** the **Republicans** for **that matter!**

Look at all this **violence!**

We were **expecting** this! It happens at **any Guns N' Roses concert** where they have **arena seating!**

That concert isn't till **next week,** jerk!

Then this is **serious!** Let's do what **most cops** do in **cases like this!**

You mean to **go somewhere else?**

Right!

Look! The **sign** from **Commissioner Boredom!** It means he **needs Buttman!**

It's strange that in this age of **cellular phones, electronic mail** and **fax machines,** he **still** uses this **antiquated** way of **communicating** with you!

If you think **that's** strange, what do you think of a **grown man dressing** up like a **bat** with a **cumbersome cape** and **a mask** that gets all **sweaty** inside, who fights crime **without getting paid?**

The word **"putz"** does come to mind!

My Buttmobile is fantastic! It can **sprout wings,** deploy **razor sharp blades** and launch deadly **frisbees!** But the most amazing thing about this **totally dependable** and **efficient** vehicle is that it was made by an **American** car company!

Well, Buttman, you **did it again!** You **cleaned up Gotham City!**

I don't want any **thanks,** Commissioner Boredom!

And you're not getting any! With **you** around, the citizens don't think they need **cops** and they keep **cutting the department budget!** You know how many policemen you've **thrown out** of work? You're a **one-man recession!**

I am known as the **Penicillin!** I was raised by **penguins** in the **Antarctic** after my parents **abandoned** me as a **baby!**

If he was raised by **penguins,** don't you **wonder** how he can speak **English?**

Not really! I know a guy who was raised by **frogs** and he can speak **French!**

You thought you could get rid of your **old partner** by **cutting him up** and **flushing him** down the **toilet!** But I **live** in the **sewers** and **I see everything!**

How can you **live** in the ...ugh... **sewers??**

It's got its **advantages!** Like you don't have any **neighbors** to **hassle** you when you throw **parties**...and you don't have to worry about **dieting** because you never have an **appetite** from living down here with all this **drecch!** The only time it gets **bad** is when someone uses **Liquid Plummer**—that stuff **really stings!**

I'm not a **bad guy.** All I want is to find out who my **human** parents are! **Just once** I'd like to get a **nice** Christmas present from my folks, instead of the **dead, giftwrapped fish** my **penguin** parents always give me!

Gee, that gets you right in the **heart!**

Yeah! From now on I'm going to use a **better grade** of **toilet paper** to show him that I **care!**

PRESS

These are my parents, **peacefully sleeping!**

Why are they so **far apart?**

That's how they **slept** when they were **alive!** They didn't want to take a chance of **ever** having **another one** of **those!**

I **know** all about your **corrupt scheme!** You're going to build a **giant capacitor, not** a **power plant!** You're going to **store energy, not produce it** and therefore have the city at your **mercy!** What do you **think** would happen if the story **got out?**

Nothing would happen! The story is so **confusing** no one could **possibly understand it!** However, just to be on the **safe side...**

Dad, **what** are you **doing?**

I have a lot of **difficulty** telling employees that they're **fired!** This is an **easier way!**

But she's **going to die!**

Don't get all **bent out of shape,** son. She was only **a temp!**

I'll **never again** complain about the **lousy job** of **snow removal** that Gotham City's sanitation department does!

This **cat** is sweet to give me **mouth-to-mouth resuscitation,** but **what** am I supposed to do with this **disgusting furball?** Yecch!

It's **time** for me to emerge as **Scatwoman!**

I'll say it's **time!** This movie is **one-third over!**

How did you get so **good** at **kicking the crap** out of **men?!?**

By **accident!** I meant to rent a **Jane Fonda workout tape** but I rented a **Chuck Norris movie** instead!

I want **you** to be elected **next Mayor** of Gotham City! To do it, we'll have to **somehow** make **you** look like **a hero!**

How about if I encourage these guys to **arm themselves** and **terrorize people,** then **I** step in and **make them stop?**

Brilliant! Where did you get such a **sick idea?!?**

From **President Bush's** policy towards **Saddam Hussein!**

Why are you trying to **beat up** on **me?**

To **prove** to the world that **women** are as **rough** and **tough** and **mean** as **men!** We're as **good or as bad** as **you** are!

How did you pick up that **militant women's lib jargon?**

By **another accident!** Instead of renting a **Chuck Norris** tape, I got ***Thelma and Louise*** **instead!**

YEOW!!!

Hey, **sharing dialogue balloons** is kinda **sexy!**

Scat-woman, your **outfit** is **driving me crazy!**

Forget it, it wouldn't fit you! Now, let's talk about **getting rid** of **Buttman!**

I **can't** keep my **mind** on what you're saying! Maybe you should **slip into something** more **comfortable,** like **my bed!**

No thanks. My **head** and **feet** would **hang over** the **ends!** Let's make Buttman the **villain** instead of the **hero** of Gotham!

Think it could **work?**

Sure! Didn't it work **fine** in ***Superman IV?!?***

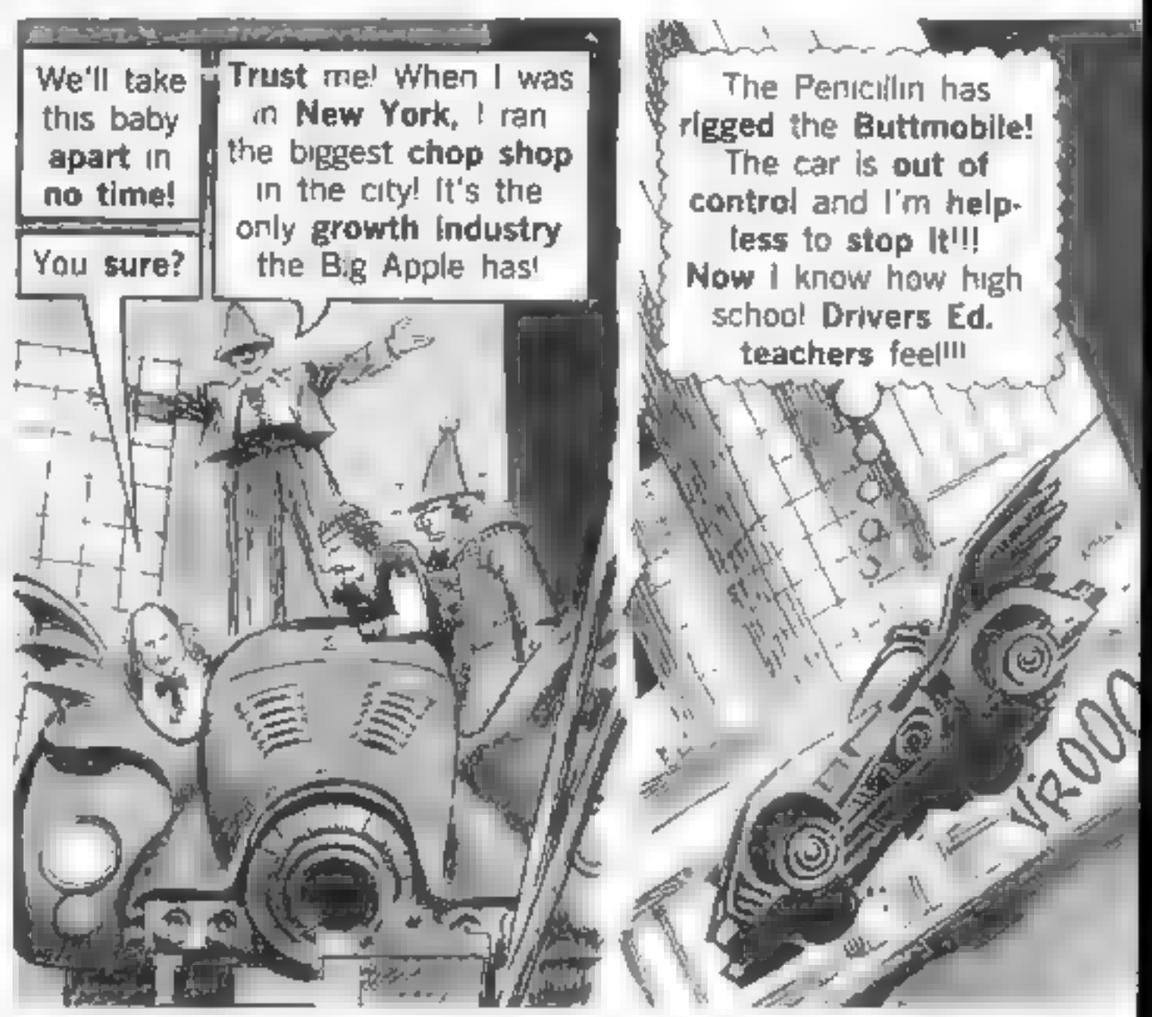
PURRR...

FINISH

I wonder how he would like making love **feline style,** in a **neighbor's back yard?!?**
I wonder how she would like making love **bat style, upside down** in a **damp cave** full of **guano?!?**

We must **stop** now or my **injuries** will **reveal** my **secret identity!**
If they don't stop **sharing dialogue balloons soon,** this movie gets an **"R" rating!**

Commissioner Boredom, you're quoted as saying that you **suspect** that **Buttman** is behind the **kidnapping** of **The Lice Princess!**
I'm **not** ruling that out as a **possibility!**
How can you **say** that? **Buttman** has been a **hero** for a **long time!!!**
Yeah, but the **Commissioner** has been a **schmuck** for an **even longer time!**
LICE PRINCESS KIDNAPPED



We'll take this baby **apart** in **no time!**
You **sure?**
Trust me! When I was in **New York,** I ran the biggest **chop shop** in the city! It's the only **growth industry** the Big Apple has!
The Penicillin has **rigged** the **Buttmobile!** The car is **out of control** and I'm **helpless** to **stop it!!!** **Now** I know how high school **Drivers Ed. teachers** feel!!!
VROOM

Here's a list of all the **first born** in Gotham City! I'm going to **kill every one of them!**
Incredibly **diabolical! How** did you **get** an idea like **that!**
By **accident!** I went to rent a copy of ***The Birds*** but I picked up ***The 10 Commandments*** by **mistake!**

You're... You're **Buttman!**
But **Neuman** knows your **true identity** and **he's** still around!
I'm sorry you **discovered** my **identity!** People who learn my identity **disappear** like **Icky Vale!**
He's a **better kisser** than **she** was!

Either these **kids** have been **captured** by **The Penicillin** or it's the **first day** of a **new school term!**

What are you **up to,** Neuman?

Penicillin is about to make a **speech!** I'm going to **interrupt** his **television signal** so that **nothing comes over!**

Are you **sure** you can **do** it?

Positive! I did it **all the time** when I worked for a **cable TV company!**

Things don't **always** work out the way you **hope!** I wanted to have my **name up in lights.** Instead, get my **tush up in lights!**

I'm **going under!** I **knew** I should have started at the **shallow end!**

I haven't the **heart** to tell him this **is** the **shallow end!** Goodbye, **Penicillin!** We **won't** be seeing **you** again!

That's **not my fault!** If this **script** had been **better,** they **might** have brought **me back** for a **sequel!**

I feel **empty** and **unfulfilled!**

Ha, ha, ha, ha! I got my **revenge** at last!

I **recognize** that **voice!**

It was I, **The Jerker,** who wrote the **terrible screenplay** for this **miserable movie! Die** of **embarrassment, Caped Crusader! Revenge** is **mine!!! HA! HA! HA! HA! HA! HA!**

THE END?

ALL JAFFEE DEPT.

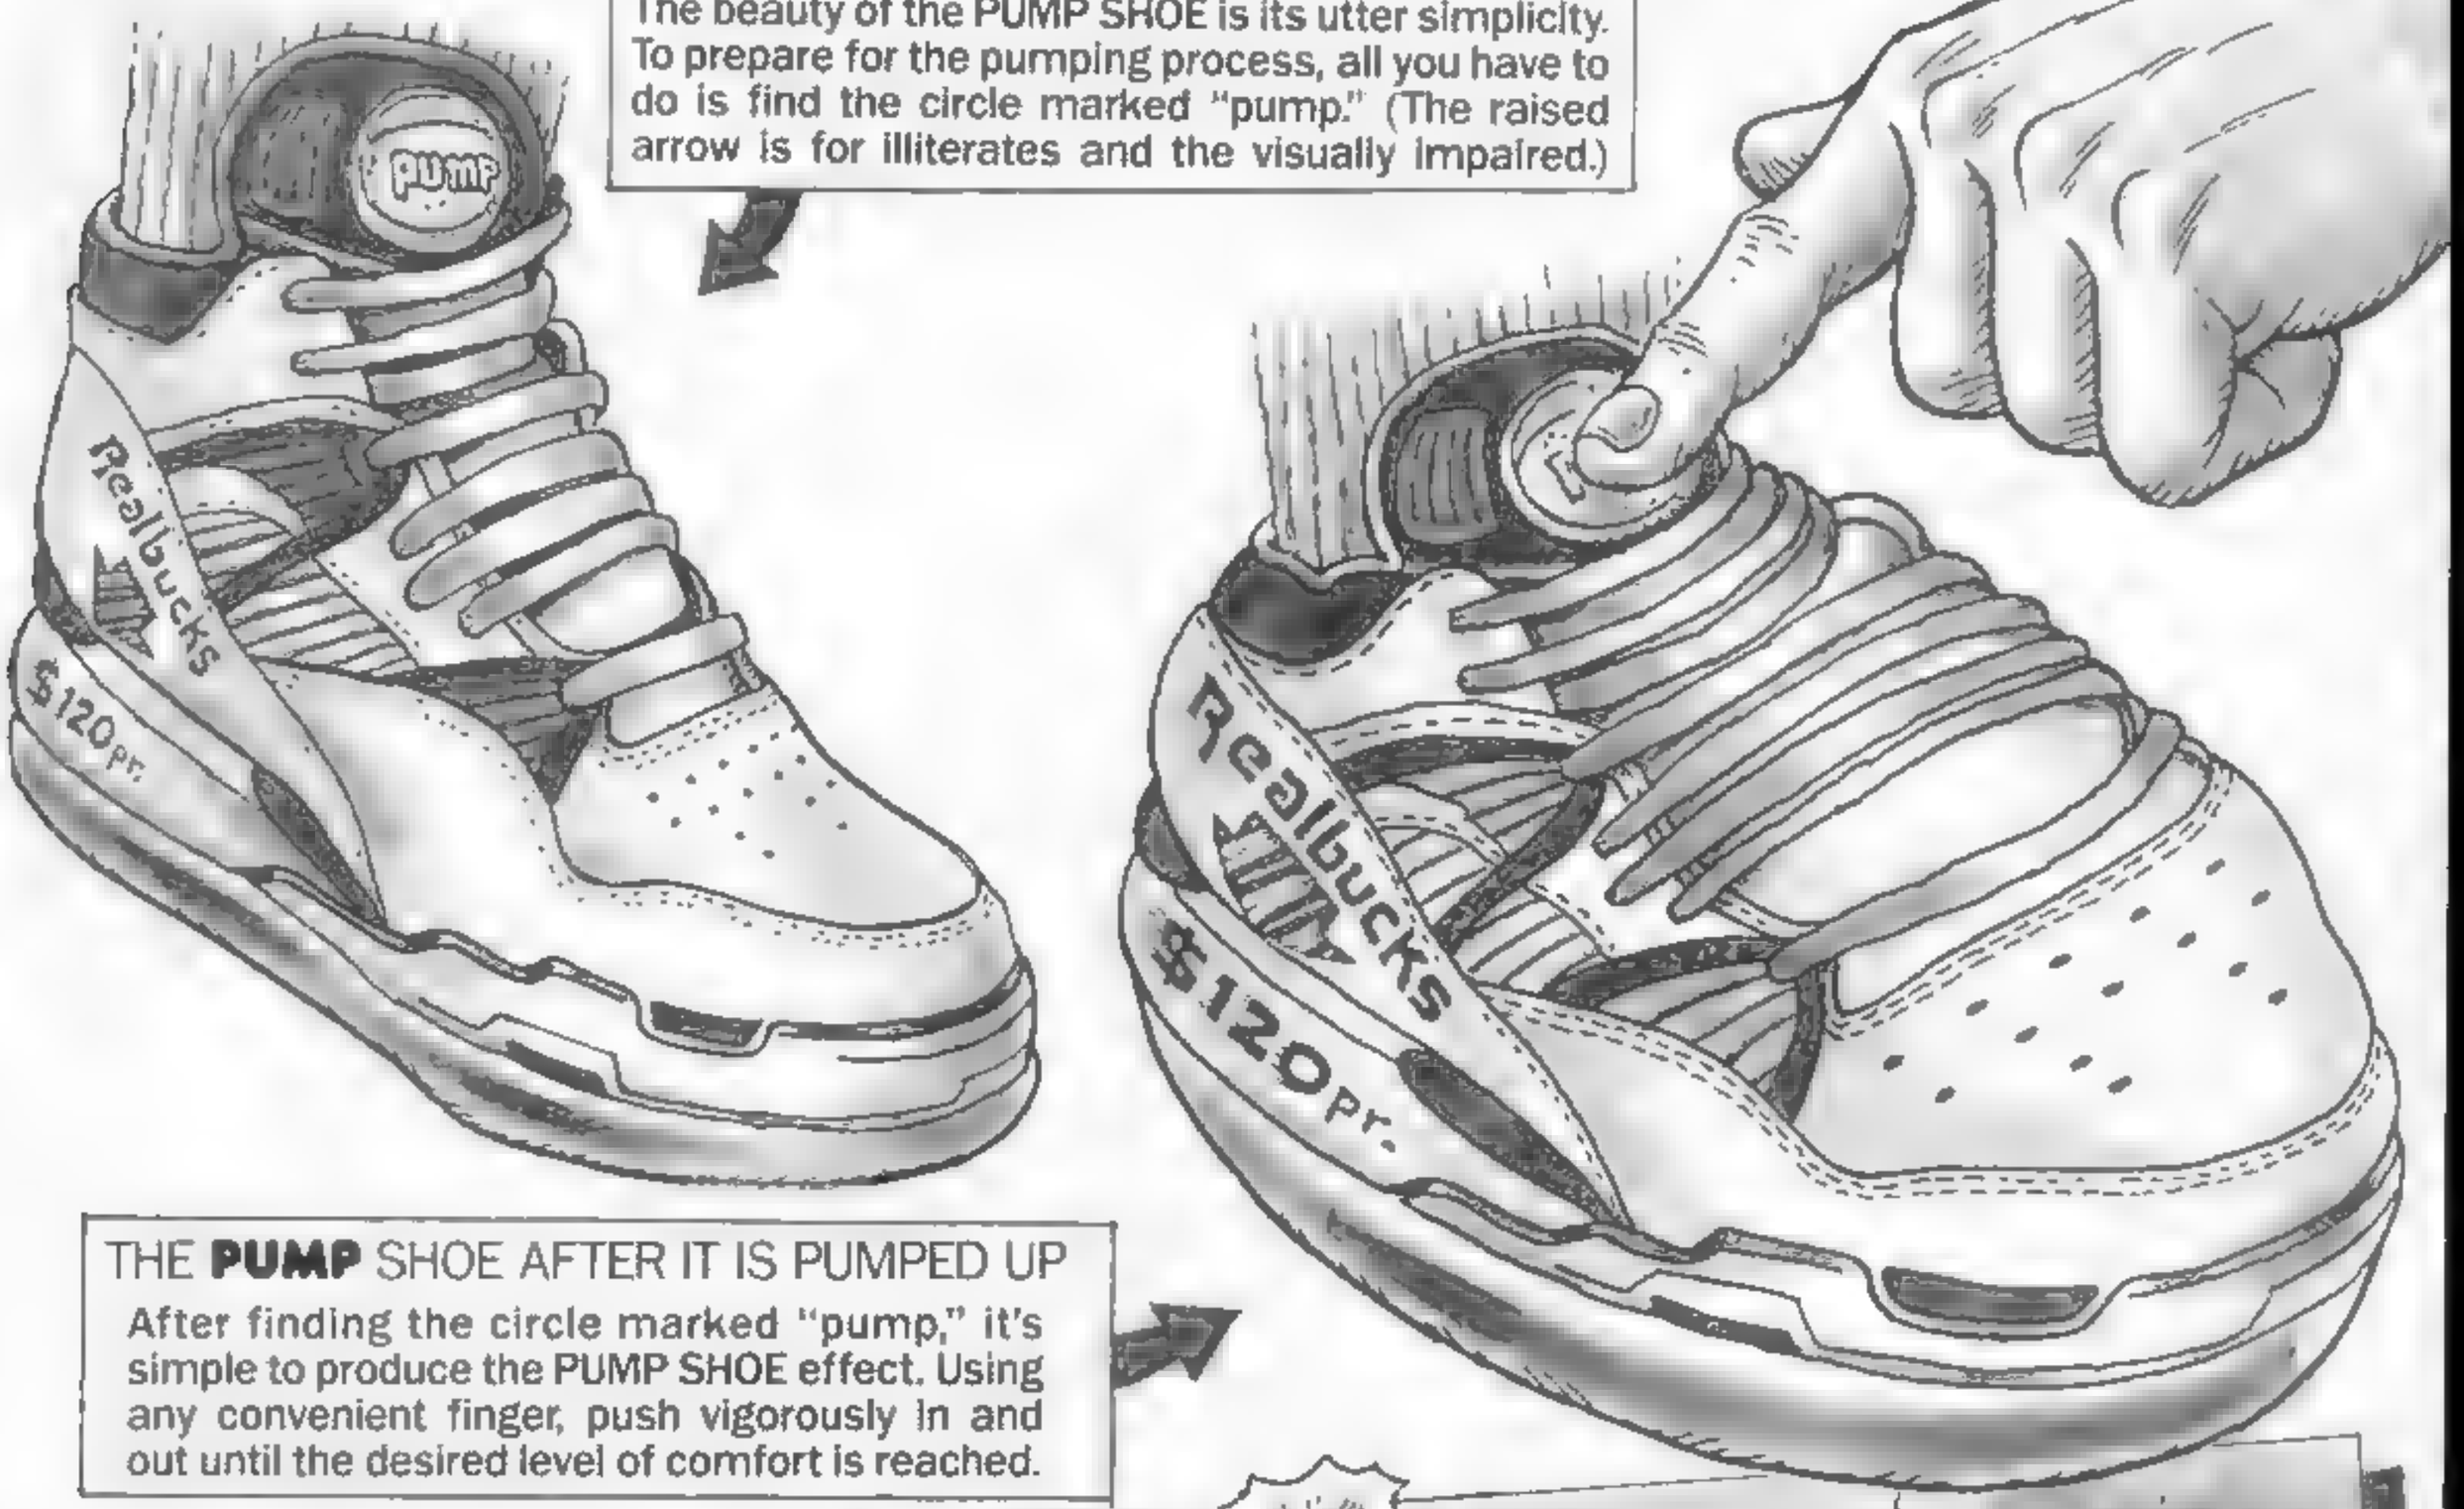
The Pump Shoe offers incredible benefits. No, not for your feet, silly—for the owners of the company that makes them! This product has single-handedly (or is it single-footedly?) pumped up sales and inflated the incomes of everyone selling them. But why should they be the only ones to swell their bank accounts? Why not expand the profits in various industries with...

THE PUMP IDEA IN OTHER PRODUCTS

ARTIST AND WRITER: AL JAFFEE

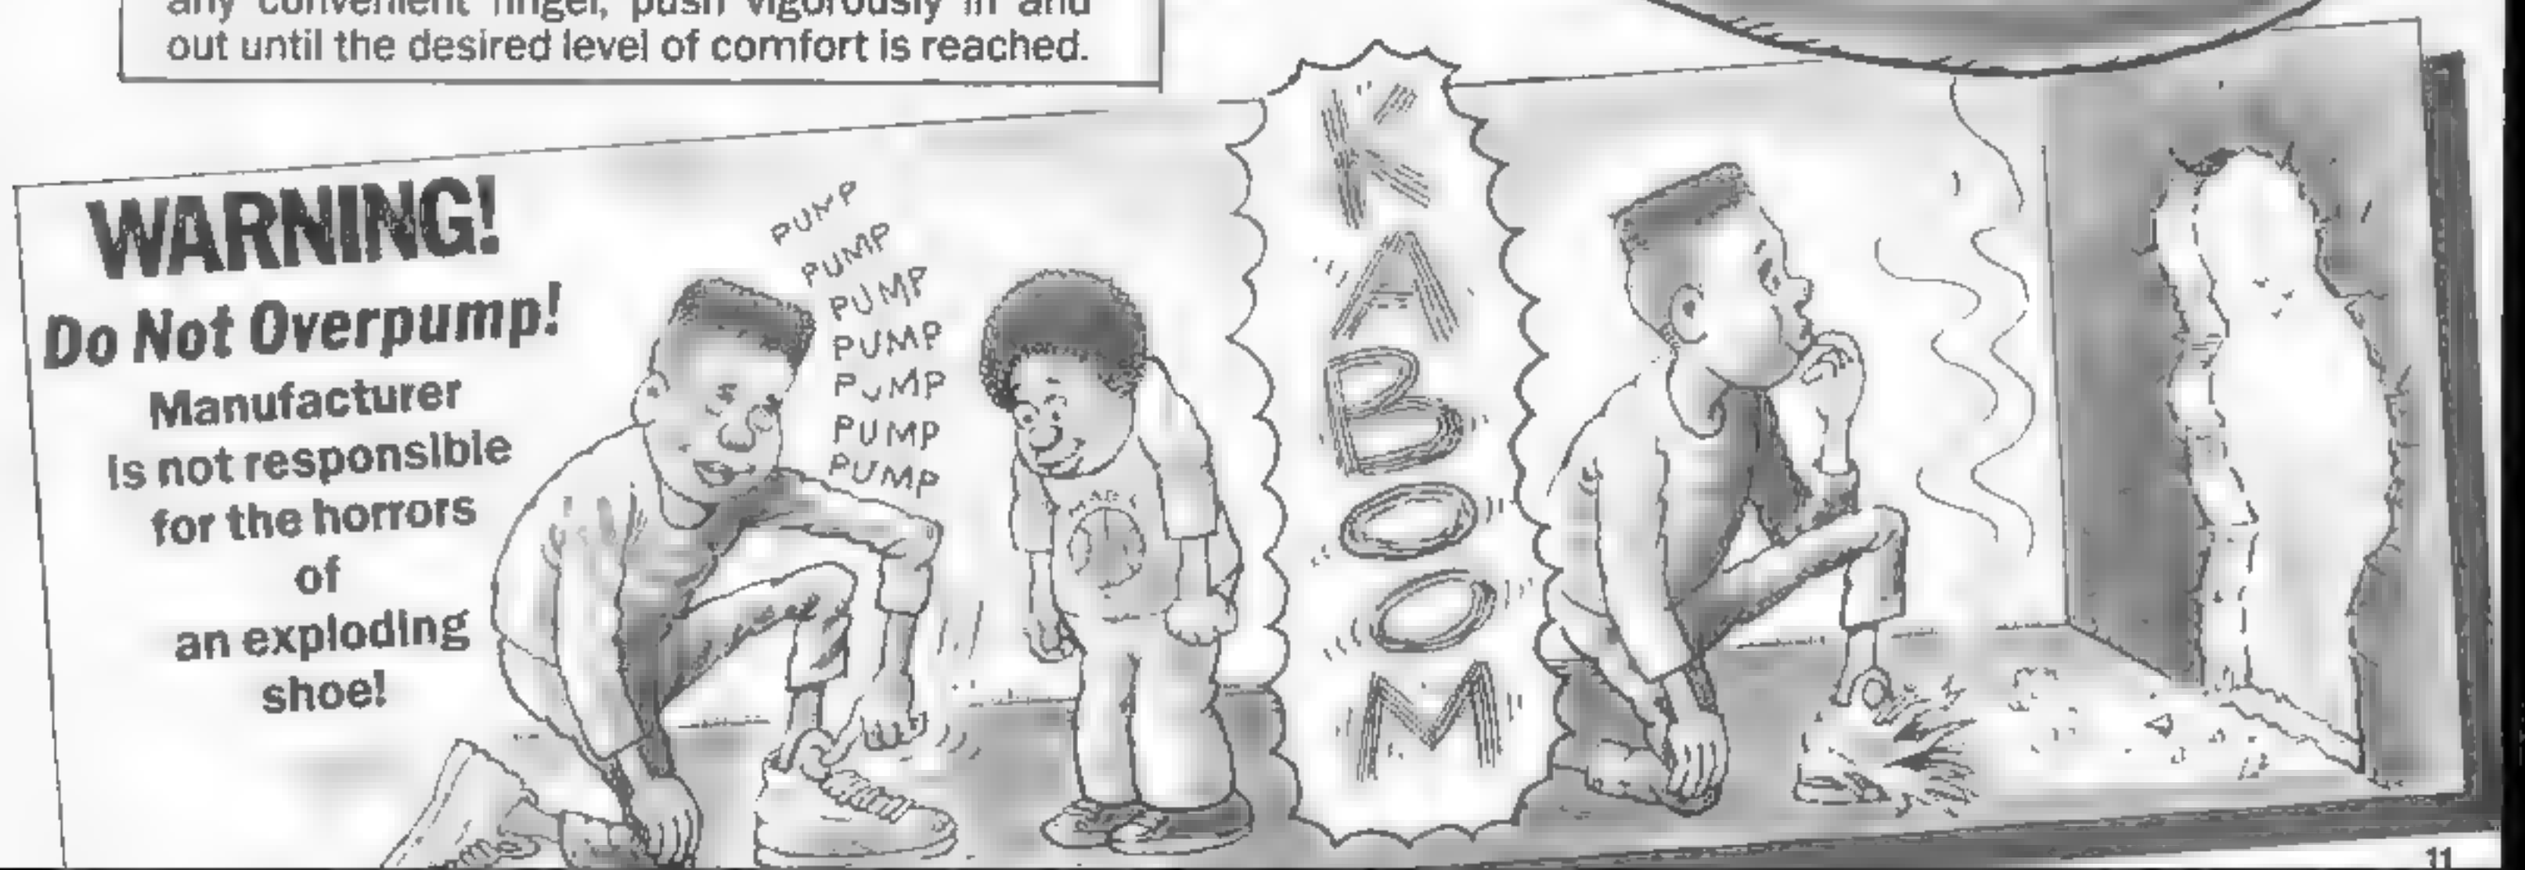
THE **PUMP** SHOE BEFORE IT IS PUMPED UP

The beauty of the PUMP SHOE is its utter simplicity. To prepare for the pumping process, all you have to do is find the circle marked "pump." (The raised arrow is for illiterates and the visually impaired.)



THE **PUMP** SHOE AFTER IT IS PUMPED UP

After finding the circle marked "pump," it's simple to produce the PUMP SHOE effect. Using any convenient finger, push vigorously in and out until the desired level of comfort is reached.

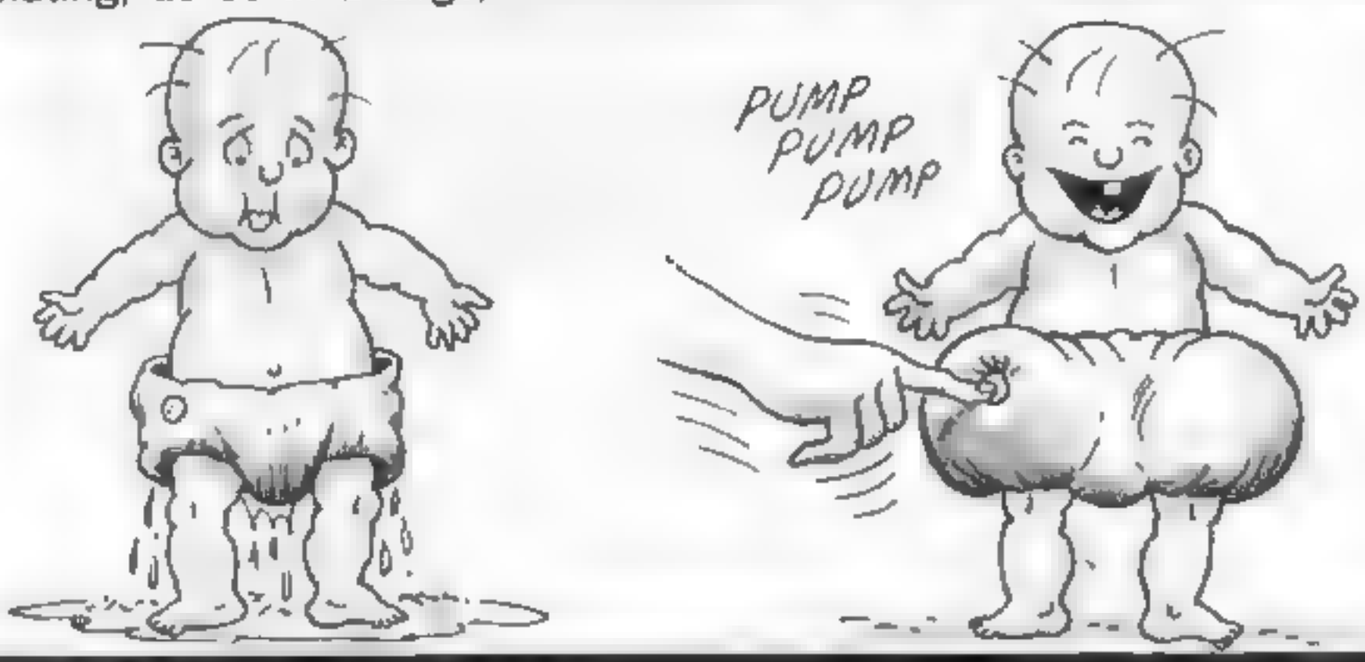


THE **PUMP** SOCK

This idea goes the Pump Shoe one better. In fact, you don't even *need* a Pump Shoe with this hot little item. It makes EVERY shoe a Pump Shoe! No matter how over-sized your shoe, boot, or fishing wader, the PUMP SOCK expands inside to make a comfortable and cozy fit!

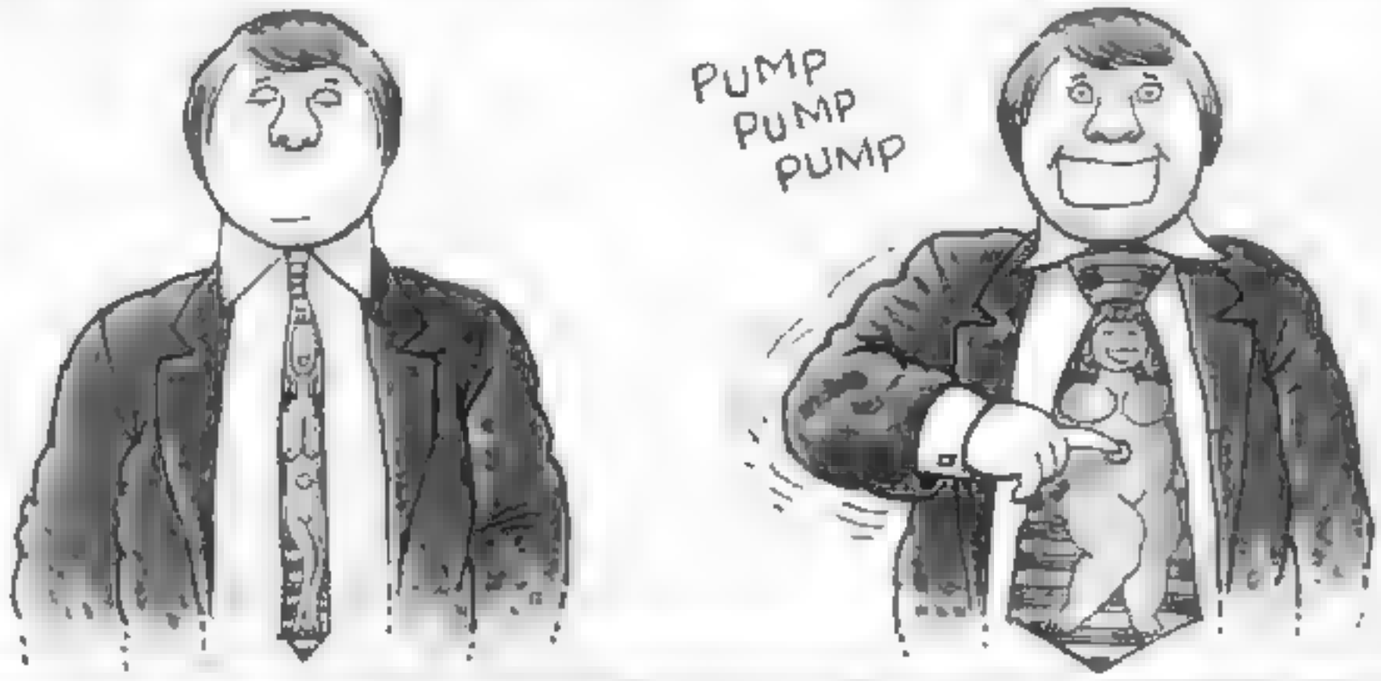
THE **PUMP** DIAPER

No matter how they try they never completely succeed in making disposable diapers leakproof. Babies come in too many different sizes and shapes! The PUMP DIAPER solves this problem by tightening snugly around every part of the baby that could possibly produce unwanted fluids. (CAUTION! When deflating, do so in a large, well-ventilated room with adequate drainage!)



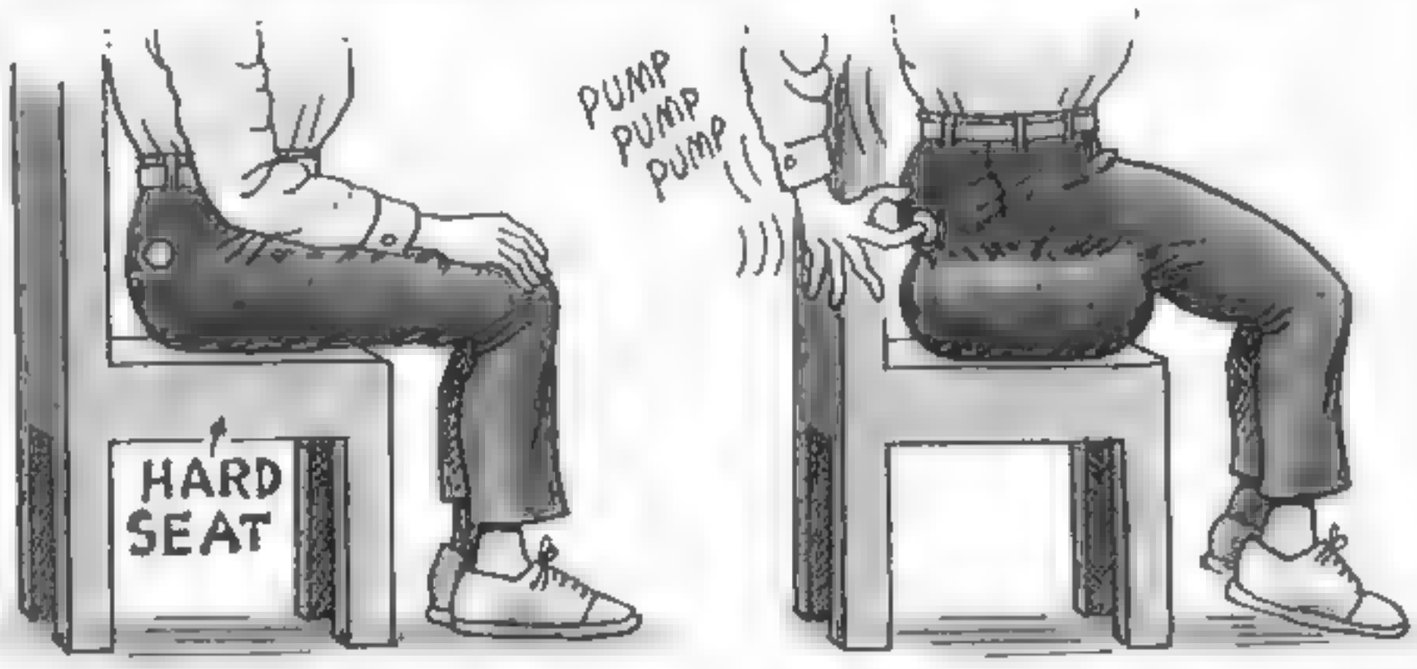
THE **PUMP** TIE

This may seem trivial, but for some it's a godsend! Poor wretches like accountants and lawyers must wear ties every day. Tie fashions go from narrow to wide and back without warning and always after you've thrown the old ties away! Staying in style is confusing and expensive. The PUMP TIE solves the problem by pumping in for wide and pumping out for narrow!



THE **PUMP** PANTS SEAT

Anyone who's ever sat through a long meeting on a hard chair knows what a pain in the butt that can be! With PUMP PANTS the pain is gone! Now plastic chairs, hardwood benches and cement stadium stairs are no longer instruments of torture. (WARNING! Be sure to deflate PUMP PANTS before walking out onto the street, or others may suspect you have a serious bodily control problem!)



THE **PUMP** SKI JACKET

Once inflated, the PUMP SKI JACKET prevents injuries! You can safely smash into trees and rocks, roll down steep slopes, fall from ski lifts and otherwise make a complete fool of yourself without fear or care. You're even safe in avalanches since you can slowly let out air to breathe till you're rescued!

THE **PUMP** GLOVE

The PUMP GLOVE inflates to provide a cushion of air that protects the hand from many hazards. Ice, fire, and closing subway and elevator doors are no threat while wearing these! The only time the PUMP GLOVE should not be used is when fighting. Although your hand would be protected when you threw a punch, your nose would not be when you received one (unless, of course, you're able to pull the glove over your head!)

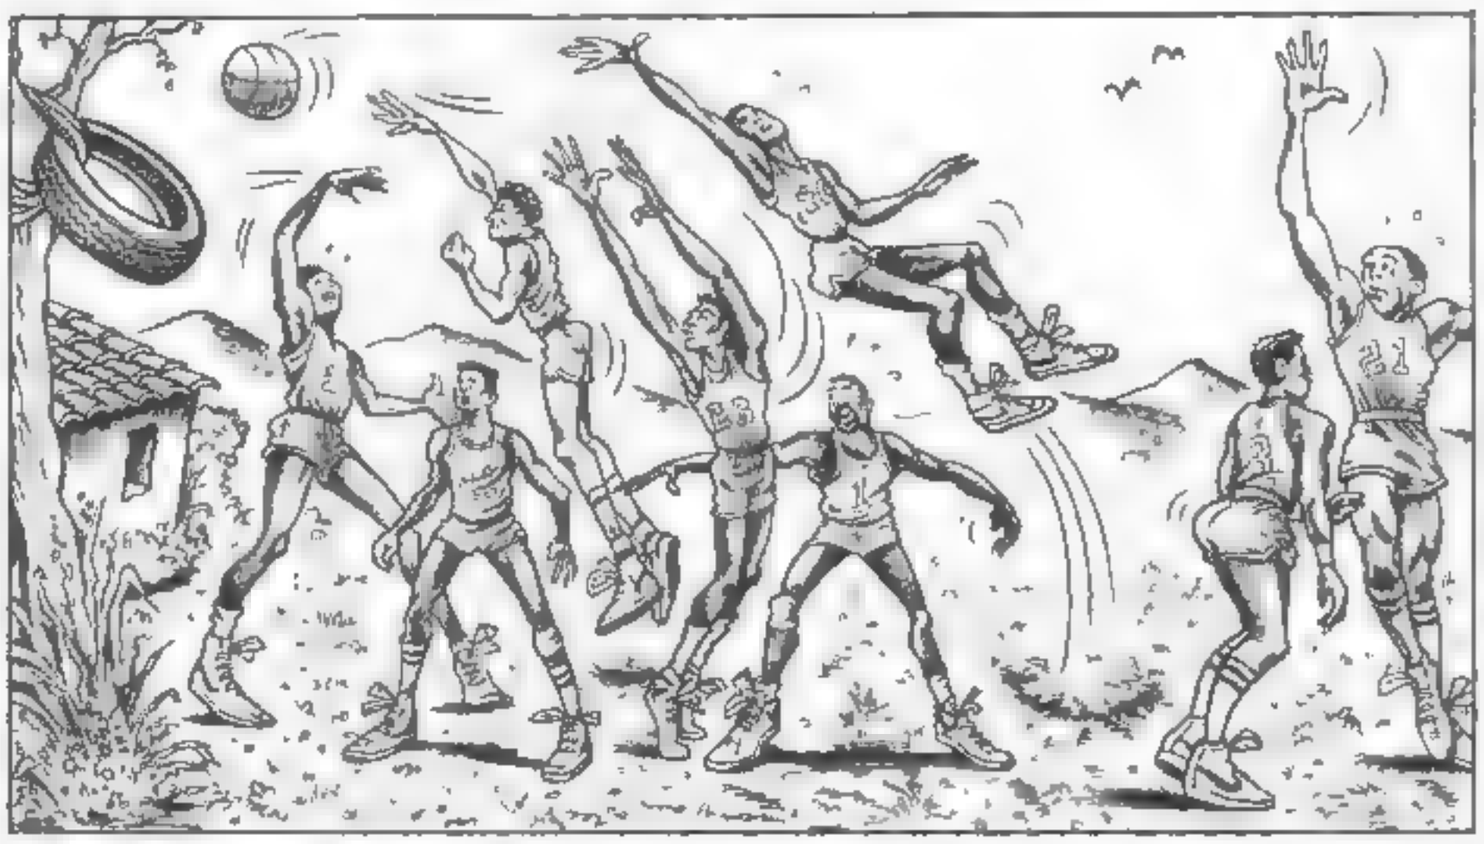
Why The 21ST CENTURY May Be Even WORSE Than This One!

ARTIST: RICK TULKA WRITER: TOM KOCH

Now that the havoc-filled era known as the 20th century is finally drawing to a close, happy little idealists have begun to crawl gleefully out of the woodwork with a myriad of rosy predictions for the up-and-coming century. While we at MAD do find these optimists altogether cute and cuddly, we refuse to believe that all the world's wrongs will be righted once that big number 2 rolls around. As a matter of fact, given the relative calm-before-the-storm that was the very end of the 19th century, we've thought up a few speculations of our own about . . .

By 2075, the tabloids will have chronicled three more generations of the Kennedy family--many of them direct descendants of Teddy.

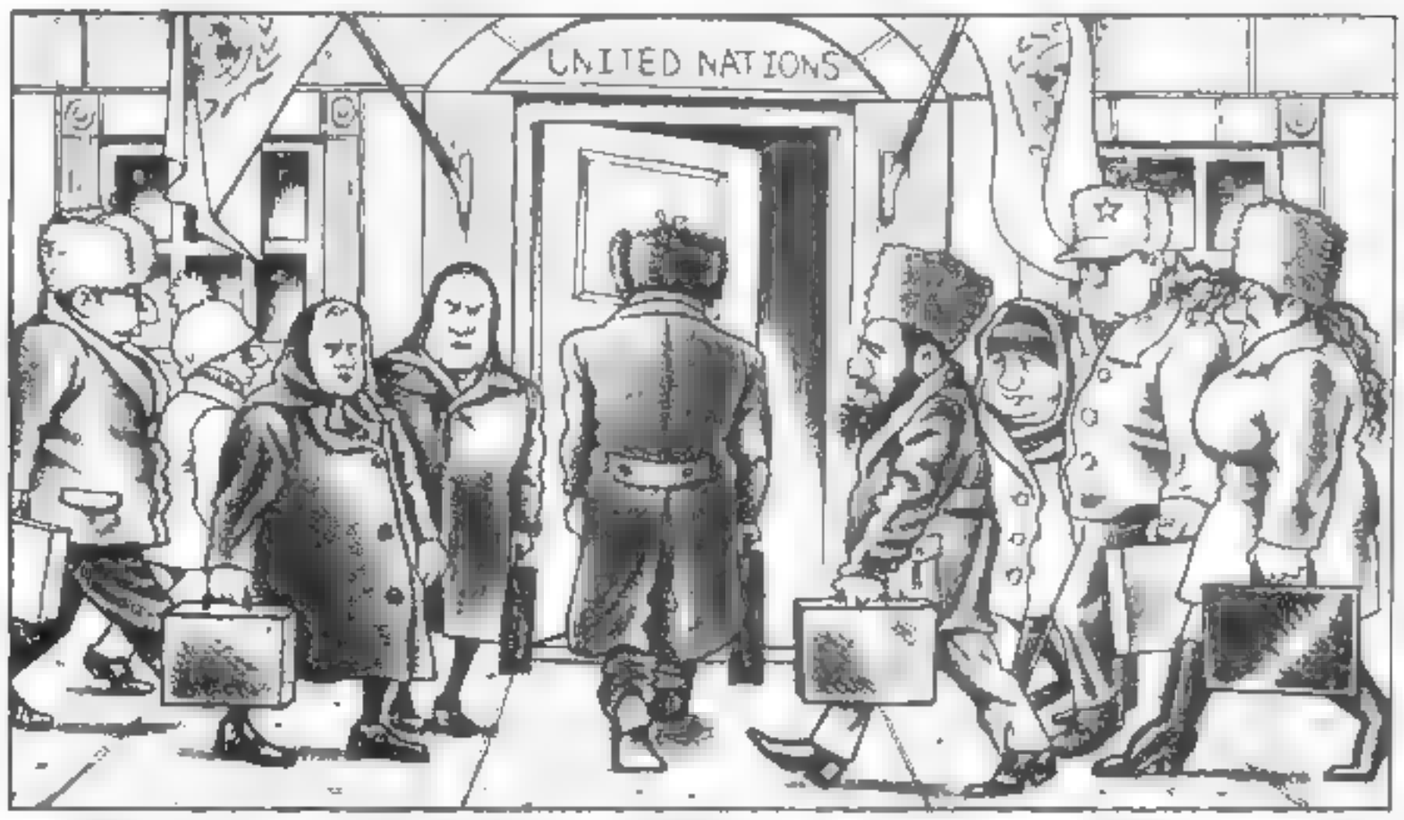


The N.B.A. may continue overexpanding until the 2026 play-offs run well into 2028, and the finals pit Guayaquil, Ecuador, against Pitcairn Island.

All the kids who appeared on "The Cosby Show" will be middle-aged performers still trying to cash in on their cuteness.

Around 2036, we will have a string of U.S. presidents who trained for the job by playing video games and listening to the philosophy of Sinéad O'Connor.

The Forbes Magazine list of the 400 Richest Americans for the year 2009 will be composed entirely of former restaurant bus boys, each of whom won the jackpot in his state's lottery.



The area that was formerly the Soviet Union will have been sub-divided into so many smaller countries that every Russian will be working in New York as a United Nations delegate.

Those entering nursing homes will run the risk of having to share a semi-private room and bath with either Andrew Dice Clay, Sandra Bernhard or Axl Rose.

Antique dealers will be asking $350 for one of those gosh-awful plastic dancing Coke cans like your parents just threw away.

Dan Rather will retire while Geraldo Rivera is still young enough to apply for his job.

State-of-the-art oil tankers will be roughly five times as big as any now in use—and a whole bunch of them will be owned and operated by Exxon.

The world's nuclear powers will include not only Iraq, but also North Korea, the PLO, and the nasty street gang that terrorizes your neighborhood.

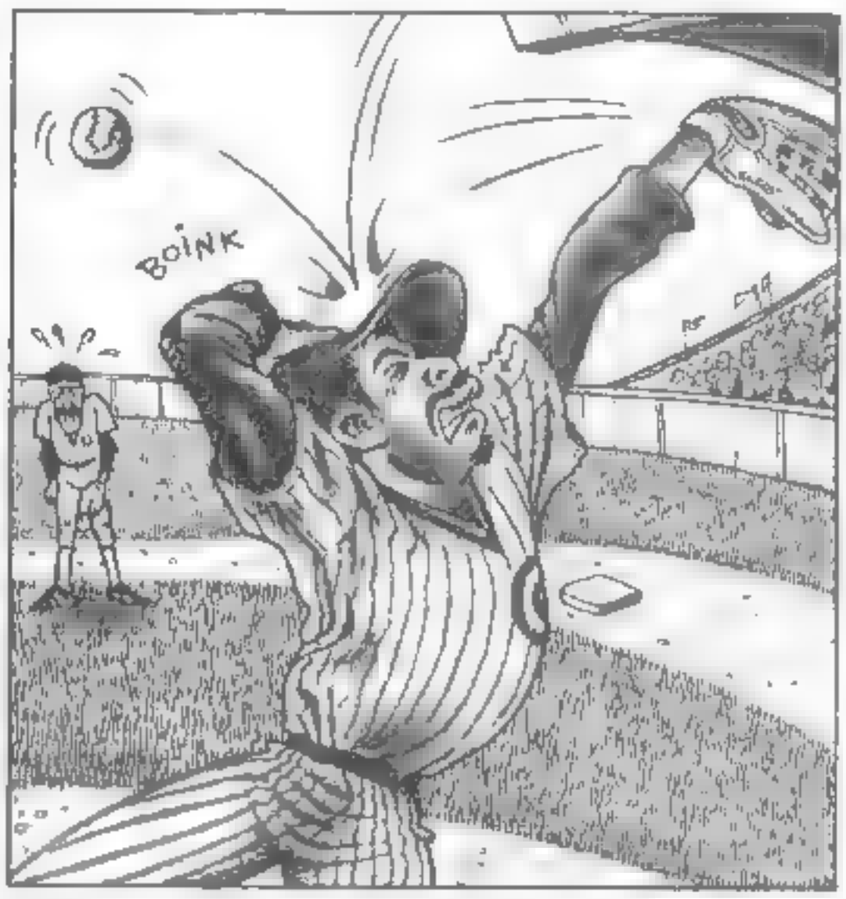
Those convicted in the Savings & Loan Scandal will be out of prison and back at work in their Savings & Loan offices.

By 2008, the average American will earn $100,000 a year—but $97,000 of that will go for health insurance premiums.

By 2009, there will be enough TV channels to allow all the lousy shows ever made to be re-run simultaneously.

The first best-seller of the 21st century just might be Kitty Kelly's unauthorized bio of former First Lady, Marilyn Quayle.

The next century will witness the decline into middle age and senility of Michael Jackson—which won't be a pretty sight.



2099 could very well be the Chicago Cubs' 155th straight season without a pennant.

How has the Soviet Union changed for Russian consumers since the fall of communism?
The Soviet Union used to be one large country with lots of shortages. Now it's eleven small countries with lots of shortages!

Why did the Russian consumer cross the road?
The lines looked shorter on the other side!

How can you tell when a National Enquirer reporter starts telling the truth?
He gets fired!

What's the best way to make a disgruntled postal employee stop killing his co-workers?
Tell him it's his coffee break time!

How many disgruntled postal employees does it take to change a lightbulb?
Disgruntled postal employees don't change lightbulbs, they shoot them out with the ammo they have left over after killing ten or twenty of their former co-workers!

Why do commuter train engineers hate derailments?
It makes them spill their drinks!

QUIP-CHANGE ARTISTS DEPT.

NEW TWIS

Why did the former child TV star cross the road?
To escape police chasing him for either shoplifting, drug trafficking, or soliciting a transsexual prostitute!

Why did the euthanasia advocate cross the road?
To pull the plug on a terminally comatose patient so he could get to "the other side"

What's the difference between euthanasia and watching the Buffalo Bills in the Super Bowl?
-Euthanasia is painless!

How many former child TV stars does it take to change a lightbulb?
Former child TV stars can't afford a lightbulb because their parents and managers have squandered their money!

What's the difference between euthanasia advocates and David Duke supporters?
Euthanasia advocates have no use for the braindead!

How many euthanasia advocates does it take to change a lightbulb?
One. But he changes it before it burns out, so the lightbulb can "go with dignity."
